

SATARK MOTORCYCLES DEPLOYED AT PROMINENT LOCATIONS

In order to promote visible and effective patrolling, 25 Satark Motor Cycles have been deployed at prominent locations in all the three districts of A & N Islands. Satark motor cycle have been modified with installation of modern sophisticated gadgets and accessories to facilitate high speed chase, increased visibility, improved accessibility and quick response time. The patrolling staff were also equipped with high fire power weapons and gadgets to deal with any emergency situation.
